

Project Cargo & Full Container Loads: Being a member of the worldwide Security Cargo Network gives us the competitive edge when transporting cargo of heavy lift, high value equipment critical to projects. We ship full container load with very time conscious and efficient shipping lines whose scheduled dates are most reliable. With an efficient tracking system, you can always keep track on your containers once we issue you with a bill of lading.

Freight Forwarding (Ocean and Air Freight): As part of our services, we provide booking and sale of competitive freight quotations for our clients. Our partnership with top shipping and airlines make it possible for us to get the cheapest rates while not undermining safety, security and delivery speed of cargo.

The Fame Advantage

We have a general insurance for clients against damage, loss and burglary of goods being delivered by us. We also have goods in transit insurance, professional indemnity and fidelity guarantee for our clients. These guarantees are all put in order to make sure our clients are well protected from any unforeseen incidents.

- ✓ Unparalleled quality of customer service, honesty and integrity.
- ✓ Speedy service and security of cargo in our care
- ✓ Goodwill from all relevant authorities thus making our job execution fast secure and reliable.
- ✓ Part of a world acclaimed security cargo network which ensures that your cargo is safe and secure anywhere in the world.
- ✓ Assured peace of mind

FAME LOGISTICS LTD

We deliver what they promise

WHO WE ARE

Fame Logistics Limited was originally registered as a customs house agent in 1987 and has over the years grown to become one of the leading names in Freight Forwarding in Ghana. Our registered head-office is in our building, HOUSE OF FAME at Tema, Community I.

We have a dynamic management team headed by our Chief Executive Officer, who is a past president of the Ghana Institute of Freight Forwarders. We are well placed to give you efficient services, providing our clients with the most effective combination of global air, ocean and road services, export documentation, insurance, customs clearance, consultancy and all related services.

We have been handling both export and import clearance of merchandise and raw materials for both the trading public and manufacturing companies, delivering to their appointed premises with our transportation.

OUR MISSION

Fame Logistics will be the leader in freight forwarding in Ghana and across the borders of Ghana. In doing this, we seek to prioritize all issues relating to customer satisfaction and mutual growth of all our clients and partners.

Core Values:

- ✓ Working hard to exceed the expectation of our cherished clients
- ✓ Conducting business with trust, respect and integrity.
- ✓ Have a passion to be better through continuous improvement
- ✓ Passion for service and taking pride in what we do
- ✓ Believe that our growth correlates directly with customer growth and their total satisfaction.

OUR VISION

Our ultimate goal is to represent the hallmark of excellence and leader in customer satisfaction in the freight and logistics industry both locally and internationally. We look to bring this excellence to the door step of all our cherished clients and partners by positioning ourselves in strategic locations to deliver the very best while constantly evolving and improving our services. We translate this vision by making sure our clients succeed in their related endeavors, this we believe is the lifeline of our own success.

OUR SERVICES INCLUDE

Cargo Insurance: Our marine and airfreight open cargo policy allows you the chance to insure your cargo and get worldwide all risk cover. No value is too low and none is too high. Instructing us to insure your cargo with us will provide you with the peace of mind regardless of the risk involved.

From the moment we pick your freight, to the moment it is unloaded at destination, or the time it reaches its destination, you can be rest assured that your cargo is covered. Please note that our liability is limited to that as stated in the Standard Trading Condition of the Ghana Institute of Freight Forwarders.

Customs Clearance: Our first class licensed Customs House Agents status offers our clients with a cost effective clearing services avoiding as much as possible, the payments of rents and demurrages. We arrange pre-finance to our clients who needs financial support at a very good negotiated interest charge. Our strong goodwill and good professional standing with customs agents and other relevant authorities make it easier for our consigned cargo to move through checks with little or no incidents.

Trucking: We operate one of the reliable and efficient trucking services in Ghana. We have pick-up network service for Less than Container Load (LCL) or Full Container Load (FCL). Our dedicated drivers are aware that they are in charge of the cargo until it is delivered and therefore handle the cargo with the care it deserves. We have Goods in Transit insurance policy which guarantees you in case of accident. Our rates are very competitive.

Warehousing and Consolidation: We provide warehousing facilities integrated with transportation and provide central cargo receiving point for consolidation, container loading, packing and crating. We provide consolidation services to various parts of the world, moving LCL cargoes to a central point, where we join other first class co-loaders so we are able to provide a cost effective but efficient service to you wherever the destination of your cargo.

Just call us to pick your cargo and together with our network partners, we could get your cargo to its destination, no matter where on the globe. We advice the position of your cargo, using our cargo tracking system, and provide a very personalize serviced professionally in partnership with our clientele.
